Carla's Desk

Hello Everyone,

Well, Fall is finally here. Yeah!!! Hope you are as excited as I am about the cooler weather. That we may or may not get...lol

Calvary School has it's own Facebook page where all of Calvary's families can come together to share ideas, ask questions, buy and sell their curriculum and much more. All you have to do is go to www.facebook.com make yourself an account, if you don't already have one, search for "Calvary Families" and send a friend request. This for Calvary Families only. **If I do not recognize the name I will not accept the friend request.**

Please come and share with all of the other families, keep it clean please, get the kids involved and lets see how much we can share and get to know each other.

Please feel free to check out the web links that are listed on Calvary's website. There are many fun and educational sites for parents and students. If anyone has any websites that they would like to share. Please email them to calvaryschool_carla.floyd@yahoo.com . I will review them and post them. They do need to be educationally based or informational to homeschooling parents. The more fun the better!!!
